By my initials/signature below and my receipt of the traps listed below, I acknowledge the following:

	1. Traps are the property of EveryPet and will be returned to the pick-up location no later than the date shown below. I acknowledge that if I fail to return the traps on time and in good condition, I will lose rental privileges in the future.
	2. The value of each trap is \$100. I will be depositing \$100 for the use of each trap. I understand this deposit is refundable upon return of the trap in good working condition. I will be responsible for the full value of the trap, plus any costs of collection and attorney's fees necessary to secure its return or replacement. If the trap is not returned, the deposit will be forfeited and the trap will be considered purchased.
	3. I understand that any animal, even sweet tame cats, can be dangerous when trapped. I agree NOT to open any trap, place my hands inside the trap, or handle any trapped animal unless specifically instructed. I release EveryPet, its staff, volunteers, and facilities from any liability for any injuries or damages that I may incur or cause while trapping, confining, transporting, or releasing these cats.
	4. I will NOT use the trap to capture any owned cat or for any unlawful act. I will only use the trap for the purpose of spay/neuter procedures or necessary medical treatment of a feral/community cat through EveryPet. Under no circumstances shall this trap be used to capture a healthy animal for destruction or surrender to animal control or any other veterinary facility. I will indemnify EveryPet and its staff, volunteers, and facilities from any liability based on my use of the trap.
	5. I agree to ensure that cats receive food, water, and necessary care following surgery and will be humanely returned to the same location where they were trapped. I acknowledge that once released, some cats may not return.
	6. I understand that traps are loaned for a period of 2 weeks. A one-time extension of 1 additional week may be granted if no waiting list exists. Extensions must be requested prior to the due date. If there is a waiting list, traps must be returned by the original due date.
	7. I understand that I may borrow a maximum of (2) traps at one time.
	8. I agree to return all traps in clean condition. Traps must be cleaned using a 20:1 water-to-bleach solution and cleared of debris prior to return.
